Portfolio

Works made with

Adobe Premiere
Avid Media Composer
Davinci Resolve
Blender 3D

This is the “Making of” piece of my latest work: Vida, a short film co-written and co-produced with Jesús Agudo and myself.

I was responsible of the final editing, motion graphics and finishing, including color grading and final delivery.

Welcome to my portfolio!

Regards,

Claudio

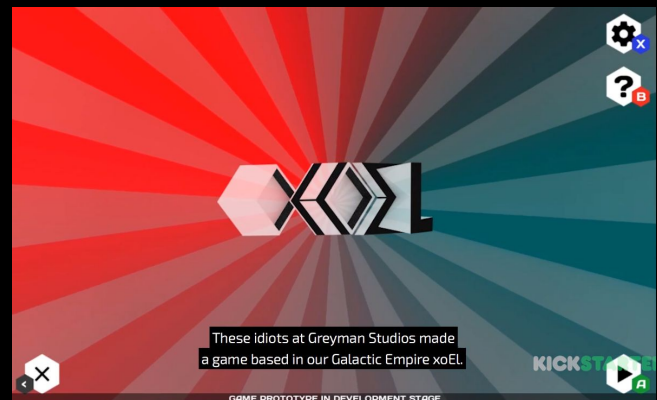

Live event, multicam editing for spanish broadcast television Tele 5 (Mediaset).

- 6 camera feeds
- 2 passes (rehearsals takes +main venue)

The editing process used proxy material before sending to color grading.
